

(For all students in the Program)

Undergraduate Minor Program in Business

Except for students pursuing a degree program in the School of Business and Management, Dual Degree Program in Technology and Management, BSc in Mathematics and Economics, and BSc in Risk Management and Business Intelligence, any undergraduate students with (i) a CGA of 2.5 or above, and (ii) either a grade B or above in LANG 1001 (prior to 2013-14), or a grade B- in LANG 1003, may enroll in this minor program. They must declare their intention to enroll in the minor program during the application period conducted in around June every year. Students who wish to withdraw from the minor program should apply before the last day of add/drop period in the first regular term of their final year of study.

Minor Requirements

To graduate with a minor in Business, the students must be enrolled in the minor program, complete a minimum total of 18 credits and all of its requirements, as well as all the requirements of their major program, and attain an average grade point of at least 1.85 in courses taken within the minor program.

For credit transfer, students can transfer a maximum of 2 courses to the minor program.

Out of the total credits required by the minor program, at least 9 credits should be single-counted within the minor and are not used to fulfill any other requirements for graduation except the 120-credit degree requirement.

Students may use no more than 6 credits earned from courses offered in pure online delivery mode to satisfy the graduation requirements of a degree program. This 6-credit limit does not apply to credits obtained through the credit transfer procedures of the University.
